Read the first three chapters of "Fifty-one Shades: A Parody", a rough draft excerpt from the forthcoming full-length parody novel, Fifty Shames of Earl Grey.

Shaffer turns the BDSM love story between CEO Christian Grey and virginal college student Anastasia Steele into a comedy of errors. In "Fifty-One Shades: A Parody", the unbelievably handsome Edward "er, æChris Gray" sweeps college student Bella "um, æAnna Steal" off her feet and into his twisted world of kinky sex, dirty money, and board games (because every dark hero needs a lighter side). Will her best friend, the brony Jin, intervene to save her from her wealthy and perverted new boyfriend?
