You can make a difference to this dynamic program. If you have suggestions for books you would like to see in large print, or for improvements to the formatting and printing, please, let us know. *Huckleberry Finn*, by MarkTwain, is one of the foundational books of American literature. On the surface it is the irrepressible story of a rollicking and entertaining adventure as a young white boy and an African-American slave journey down the mighty Mississippi. Just beneath the surface, however, is a narrative with serious underlying themes: "natural" man versus "civilized" society, the evils of slavery, the innate value and dignity of human beings, the stultifying effects of convention, the superficiality of popular American culture, and, ultimately, the universal story of self-discovery. Order your copy now and enjoy it all over again.
