This mystery thriller reunites Vice President Joe Biden and President Barack Obama for a political mashup full of suspense, intrigue, and laugh out loud bromance.

Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, "Amtrak Joe" re-teams with the only man he's ever fully trusted the 44th president of the United States. Together they'll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America's opioid epidemic.

Part noir thriller and part bromance novel, Hope Never Dies is essentially the first published work of Obama/Biden fanfiction and a cathartic read for anyone distressed by the current state of affairs.
